

TRACEY PILGRIM

Cancer Care Coordinator

ABOUT ME

Hi I'm Tracey.

I can support with any new cancer diagnosis, GSF patients, curative and non-curative cancer patients, cancer care reviews, cancer screening programmes. My role is to support each of your practices in the best way for you and your cancer patients.

My role is to provide a seamless pathway from primary care to secondary care and then back again.

The referral criteria is anyone who has recently been diagnosed with cancer or patients living with cancer and need support.

Patients can be referred directly to me through tasks or emails.

HOW CAN TRACEY SUPPORT YOU?

A Cancer Care Coordinator can provide support with:

- Any **practical, emotional, financial, or physical concerns** the patient may have
- **Macmillan grant**
- **Blue Badge form**
- **Linking** a patient back into their cancer nurse specialist at WUTH or Clatterbridge.
