

MICHAELA ESPINDULA

PHYSICIAN ASSOCIATE

ABOUT ME

My name is Michaela. I am Healthier South Wirral's Physician Associate, a medical professional who is committed to provide continuity of care for patients.

A Physician Associate is health care professional with a generalist medical education, working alongside doctors, providing medical care as an integral part of the multidisciplinary team.

INFORMATION

THINGS I CAN SUPPORT WITH:

- My role includes: taking medical histories from patients, carrying out physical examinations, requesting and interpreting diagnostic studies.
- I see patients with long term chronic conditions.
- I work between Healthier South Wirral GP practices, the care houses associated with these practices.
- Formulating differential diagnosis and management plans
- Performing diagnostic and therapeutic procedures
- Providing health promotion and disease preventing advice for patients
